

Student Travel Grant Application

ACM SIGPLAN 5th Workshop on Programming Languages and Analysis for Security (PLAS 2010)

Toronto, Canada, June 10, 2010

Sponsored by

ACM SIGPLAN, IBM Research, IMDEA Software Institute,
Microsoft Research, and Mozilla Corporation

Thanks to generous support from sponsors, student attendees of PLAS 2010 can apply for a travel grant. To be eligible for a travel grant, the applicant must be a full-time student. The applicant need not present a paper at PLAS, but must register for, and attend the workshop. The applicant may, in addition, apply for PLDI travel grants.

To apply for a travel grant, send the following information to the chairs at anindya.banerjee@imdea.org and dg@cs.cmu.edu:

- Name (Indicate first name and last name separately)
- Email address
- School and department
- Mailing address
- Advisor's full name and e-mail address (if you don't have an advisor, list someone from your department who can verify that you are a full time student)
- Research interests (a few sentences are enough)

Applications must be received by Friday May 21, 2010.

PLAS 2010 travel grants can be used towards expenses on PLAS registration, travel, and accommodation. All reimbursements will be processed by ACM. **Original receipts will be needed for reimbursement.** Send email to the chairs for clarifications.
